1. Welcome and opening remarks

Elie Michel chaired the meeting as the President of the Executive Committee (ExCo) of the Alumni Association and welcomed all the participants to the General Assembly. The 2023 General Assembly was been moved to June (similar to 2022, rather than July in the past) in order to gather more participants (same week as the EUI conferring ceremony, Max Weber conference, June Ball). However, attendance remained low. GA participants agreed that moving the GA to June was a failure with regards to attendance. The next board will reflect on organizing this event at another moment (for instance together with the Alumni Conference).

2. Vote on the Annual Report: assessment the association's activity

Elie Michel presented the Annual Report of the EUI AA, which had been circulated to all members prior to the GA.

The Annual Report has been approved unanimously (minus one abstention).
